

Dear Parents and Guardians,

Welcome to Kindergarten at Canty School! We are so excited for you to join us for the upcoming school year 2024-2025. Kindergarten is an exciting time in your child's learning. They will grow their brains, learn, and discover many new and exciting things about themselves and the world around them. Imagination and creativity will be everywhere! A year of letters, stories, numbers, sharing, reading, playing, and making friends awaits them.

We hope to build on our relationship between school and home, so that our students are supported in their learning throughout the year. Building a strong partnership will be helpful to your child's success in Kindergarten. We have high expectations and will do our best to create a safe and fun-filled learning environment for your child.

Please see the following side of this letter for supplies needed for your child next school year.

We look forward to meeting all of you, and we are delighted to be working with your child this school year. Let the adventure begin!

Sincerely,
The Canty Kindergarten Team
